Dear Mrs. Kimberly Bracciante:

It is my pleasure to inform you that at its Spring 2023 meeting the Commissions on Elementary and Secondary Schools of the Middle States Association of Colleges and Schools voted to award the following to **Strang School at Ranch Hope Inc.**, grades 6-12:

ACCREDITATION

The term of accreditation is for seven years; therefore, your school's accreditation will expire on **July 1, 2030**.

An "Accredited" institution is an educational organization that meets all MSA Standards for Accreditation, adheres to applicable MSA policies, and meets the requirements of the self-study protocol used. The institution agrees to adhere to all requirements for maintenance of accreditation.

At the beginning of the third year in your school's accreditation term, you are required to submit a Mid-Term Report in which you provide evidence that you are implementing your Plan for Growth and Improvement and of progress being made toward achieving your objectives. The Report will be reviewed by the Middle States staff, which will determine whether an on-site visit must be conducted to examine any areas of concern.

In the sixth year of the accreditation term, you will be notified to begin a new self-study to prepare for the next accreditation visit.

Please accept our sincere congratulations on the recognition of your school as an accredited member of the Middle States Association of Colleges and Schools. Your accreditation certificate is available digitally as a pdf on your dashboard. You can order a hard copy of the certificate and review other information about sharing your accreditation with your community on our website. We are pleased that you continue to be among the schools throughout the world that meet the internationally recognized standards of quality of the Middle States Association of Colleges and Schools. The staff of the Commissions will be happy to be of service to you and your school at any time.

Sincerely,

Christian Talbot
President
